ENROLMENT PROCESS

Now that you have decided to enrol your child at our Kindergarten it may be helpful to understand how our enrolment process is administered.

Once you have decided on the class and session time you would like your child to attend please complete both sides of the STUDENT ENROLMENT form.

All enrolments and applications attract a non-refundable \$300 administration fee. Please make your administration fee payable to "Just Juniors Ltd." and attach it to your completed STUDENT ENROLMENT form.

Once we have received your enrolment and administration fee you will be contacted to either, offer your child an immediate position or you will receive confirmation of your application through the post. You are welcome to phone us at any time with any enquiries you may have on 2450 2626 or email consultants@justjuniors.com

If you have not had the opportunity to view our kindergarten, please contact us and come visit!

Once your child has been offered a place we will ensure that we do everything possible to make the transition to our kindergarten a smooth and happy one for your child.

Please post your application to: **Admissions Officer, Creativity Kindergarten, 61 Wu Uk Village, Tai Lam Chung, Tuen Mun, NT**

Thank you for your application.

SCHOOL UNIFORM

Our uniform is flexible, comfortable, easy to wash and very “child friendly”. We want the children to paint, play, explore and learn with their natural curiosity – a child friendly uniform allows for great experience, exploration and movement!

During summer your child has a choice of various coloured logo t- shirts and you can mix them with whatever bottom your child is most comfortable in (skirt/ skirt/ short or long pants).

During winter your child has a choice of our long sleeved logo t- shirt, & our logo pullover.

We have a physical education uniform which is worn twice per week for our SPMP program. There is no need for the children to wear the physical education uniform in the cooler months (track pants will be just as effective!)

It is important for the children to have closed toe shoes for the playground and for safety reasons (sand shoes, buckle & velcro shoes and sandals are all good options for a pre-school child)

Please ensure that **ALL** of your child’s clothes are labeled along with any other personal items bought to school (this includes shoes!). At the beginning of term, please supply in a named zip lock bag a spare set of play clothes in case your child requires a change during the school day). We provide smocks during our painting and sensory “messy” time.

Long Sleeve \$150
Tracktop \$200
Back Pack \$100
Short Sleeve T-shirt - \$100

Our uniform is gender neutral and you may mix and match as you like. The t-shirt and long sleeve t's come in a variety of colours (aqua, lime, orange, red, purple and navy blue). The pullover is in one colour (navy blue) only with the multi coloured front logo
